We are delighted to extend a warm welcome to you as new residents of Wisteria Park and hope you find the enclosed information helpful.

Wisteria Park is managed by Sunstate Association Management Group on behalf of the Wisteria Park Homeowners Association Inc. (WPHOA) of which you, as a homeowner, are a member.

Wisteria Park community manager contact: Nicole Banks

Telephone: 941-870-4920 x204

Nicole is your “go to” person for questions and concerns regarding the operation of the Wisteria Park HOA

Wisteria Park also has its own website – www.wisteriaparkhoa.com. The site contains a wealth of information on the HOA, including official documents, meeting notices and minutes, financial statements, newsletters, etc.

The volunteer Board of Directors of the WPHOA is made up of residents who meet once a month to manage the everyday business of the WPHOA with the support of our property management company. A number of committees also support the activities of the WPHOA among which are the Architectural Review Committee (ARC), and an East Side (lots 71 to 141) Landscape Council. We always welcome help from new neighbors and encourage you to attend a Board of Directors meeting and consider joining us to help maintain our community. Meeting notices and agendas are posted on the website and on the bulletin board at the community pool area and are sent electronically to residents who have provided us with their email address.

By now you will have had a chance to review Wisteria Park’s governing documents that include the *Declaration of Covenants, Conditions and Restrictions for Wisteria Park* along with the *Rules and Regulations* and the *Residential Community Design Guidelines*. These documents explain the rules and regulations pertaining to Wisteria Park. Current versions of all these documents can be consulted on our website.

The WPHOA also maintains a Residents’ Directory which is distributed by email. You should be receiving a copy of the Directory shortly. In the meantime, some “start-up” information is attached that we trust will be useful in getting you settled in your new home.

We hope that you will enjoy living in Wisteria Park. We invite you to become involved in our community. Again, we extend a warm welcome to our community and your new home.
