FOLLOW UP 85th Ct It appears that a Fire Bush, on the side of house, fell over quite some time ago and has been growing on its side.	The workers shaped it as a bush on its side but Matt would like to give it a very hard cut so it starts growing properly. He would like approval from Homeowner before cutting it back. COMPLETED and removed

Questions:

When will Mulch be spread? Nov 7th

What is the schedule for checking Irrigation systems on houses? How many each month?
