

East Side Landscaping Committee  
Minutes of Meeting  
Thursday, May 16, 2019  
Wisteria Park Gazebo

The Meeting was called to order at 10.01 a.m. by the Chair, Maureen Hooper. Also in attendance were Ray King, Rob Russell, Wendy Draina, Myra Harcourt and Gary White. Maureen indicated that Donna Burbidge had resigned from the committee, as she has sold her home. Myra Harcourt was welcomed to take her place as a voting member of the committee. Gary White will serve as a non-voting member, available to assist with walk-arounds.

With a note that the walkaround mentioned for May 17<sup>th</sup> will not take place, the Minutes of the meeting of April 13, 2019 were approved on a motion by Rob, second by Maureen. Motion carried.

The April 26 landscape walkaround was discussed. There were very few concerns, mainly irrigation related. A home had a tripped GFI which turned off the sprinkler system. This may be an issue for seasonal residents. While watering may be taken care of by increased rain over the summer, any problems with grass dying should be noted by house-sitters. Summer walkarounds will be on an "as needed" basis. There will be one at 9.30 a.m. on either June 14 or 21 – date to be confirmed with Matt.

It was mentioned that we do not know the pruning cycle for plants. It would be helpful to find out when each variety of plants is trimmed.

A resident had a question about the common area around the perimeter wall. He had a dead plant with a substantial root and asked who was responsible for removing it. There was a change in the policy last year and Maureen and Ray will get clarification at next week's Board meeting.

The next meeting of the East Side Landscaping committee to be determined.  
The meeting adjourned at 10.37 a.m.
