## MONUMENT RESTORATION

We hope you've noticed the beautiful restoration of the 17th. Ave. monument. It's now complete and what a difference it makes! Wisteria Park is beginning to look new again!

The restoration was performed by Superior Architectural Solutions, a company that was recommended by Neil Communities. All cladding was replaced, all cracks and fissures were repaired, the crown was redone and all lettering and logo were restored and repainted at the company's painting facility. The entire monument was pressure washed and completely repainted. Upcoming improvements include new landscaping around the monument as well as throughout the entire entrance. Wisteria Park Reserve Funds were used for the renovation.

Stay tuned for new and exciting updates coming to our community.
