

WISTERIA PARK

A Message from your Board of Directors

WISTERIA BEAUTIFICATION UPDATE

In 2020 a significant renovation effort began in Wisteria Park that impacted almost all facets of our community. All 3 monuments were professionally and beautifully restored to their original luster, all mailboxes throughout the community were straightened, repaired and refurbished, the 2 pergolas in the pool area were repaired and restored, all common concrete, including all street gutters and curbs, throughout our community was professionally cleaned, and a complete landscaping cleanup and replanting began and continues in earnest as I write this update.

Coming up next are...

- Entrance/monument lighting: All entrances and monuments will be beautifully lighted.
- Gazebo restoration: The community center gazebo will be power cleaned and repainted.
- Landscape upgrades: All landscaping will continue to be upgraded and refined.

Wisteria Park is looking “new” again! This is good for our home values, our community pride and our enjoyment of our neighborhood.

We’ll provide continual updates via these e-blasts as things progress. In the meantime, if you see anything you’d like added to the list, please let us know.

Best,
Your Community Board of Directors
